DETAILED ACTION

Claim Rejections - 35 USC § 102

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1, 6-9, 12, 13, 15-17 are rejected under 35 U.S.C. 102(b) as being anticipated by Motitschke et al. (col. 1, examples) or Kuhrts (page 3, 7, claims).

The references each teach that a composition comprising a CO₂ extract of hops is used in a tablet, capsule, creams, etc.

Claim Rejections - 35 USC § 103

Claims 1, 6-9, 12, 13, 15-17 are rejected under 35 U.S.C. 103(a) as being unpatentable over Motitschke et al. (col. 1, examples) or Kuhrts (page 3, 7, claims).

The teachings of the references are above.

It would have been obvious to add specific combinations of vitamins and carbohydrates and the like to the compositions of the references since the references make it clear that such ingredients are well known to be used in such compositions. The references make it clear that such compositions routinely have sweeteners and vitamins

in them. One of ordinary skill in the art would have been clearly motivated to add vitamins and sweeteners to the hops extracts since the references make the use of the additional components so clear and desirable in the references.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
